MICHAEL ADAMS,  
Plaintiff,  
vs.

HUDSON VIEW REALTY LLC, and  
F & M INDUSTRIE CORP.  
Defendants.

**COMPLAINT**

Plaintiff, MICHAEL ADAMS (“Plaintiff”), by his undersigned counsel, hereby files this Complaint and sues Defendants, HUDSON VIEW REALTY LLC and F & M INDUSTRIE CORP. (herein after “Defendants”), for injunctive relief pursuant to the Americans with Disabilities Act, 42 U.S.C. § 12181, et seq., (hereinafter the “A.D.A”) and the ADA’s Accessibility Guidelines, 28 C.F.R. Part 36 (hereinafter the “ADAAG”).

**JURISDICTION**

**1)** This Court has original jurisdiction over the action pursuant to 28 U.S.C., §§1331 and 1333 for Plaintiff’s claims arising under 42 U.S.C. § 12181. et seq., based upon Defendant’s violations of Title III of the ADA (see also, 28 U.S.C. §§ 2201 and 2202).

**2)** Plaintiff currently resides in Brooklyn, New York, and is *sui juris*. Plaintiff is a qualified individual with disabilities under the ADA law. Plaintiff was born with cerebral palsy, and as a result is bound to ambulate in a wheelchair.

**3)** Defendant, HUDSON VIEW REALTY LLC, is a Limited Liability Company and transacts business in the State of New York and within this judicial district. Defendant, HUDSON VIEW REALTY LLC, is the owner of the real property which is the subject of this

action located on or about at 254 S 2ND ST, BROOKLYN, NY 11211-5401 (hereinafter “Subject Property” or “Facility”).

**4)** Defendant, F & M INDUSTRIE CORP., is a Corporation and transacts business in the State of New York and within this judicial district. Defendant, F & M INDUSTRIE CORP., is the lessee and operator of the business known as L'Industrie Pizzeria, located at 254 S 2ND ST, BROOKLYN, NY 11211-5401 (hereinafter the “Subject Property” or “Facility”).

**5)** Plaintiff has visited the Subject Property which forms the basis of this lawsuit and plan to return to the Subject Property to avail himself of the goods and services offered to the public at the Subject Property, and to determine whether the Subject Property has been made ADA compliant. Plaintiff’s access to the Facility and/or full and equal enjoyment of the goods, services, facilities, privileges, advantages, and/or accommodations offered therein was denied and/or limited because of these disabilities, and Plaintiff will be denied and/or limited in the future unless and until Defendants are compelled to remove the physical barriers to access and ADA violations which exist at the Facility, including but not limited, to those set forth in this Complaint.

**6)** In addition to living approximately 7 miles from the Subject Property, Plaintiff also has multiple friends and family members throughout Brooklyn—with whom he visits frequently and dines out socially on at least a weekly basis. As Plaintiff lives alone, it is easier to go out to eat than to prepare a meal at home for just himself. Plaintiff travels through the neighborhood where the Subject Property is located at least twice a month.

**7)** The Defendants’ Facility is a public accommodation and service establishment, and although required by law to do so, it is not in compliance with the ADA and ADAAG.

**8)** In this instance, Plaintiff visited the Facility and encountered barriers to access at the Facility, engaged barriers, suffered legal harm and injury, and will continue to suffer legal harm and injury as a result of the illegal barriers to access as set forth herein.

**9)** Plaintiff has suffered and continues to suffer direct and indirect injury as a result of the ADA violations that exist at the Facility.

**10)** All events giving rise to this lawsuit occurred in the State of New York. Venue is proper in this Court as the premises are located in the Eastern District.

#### **FACTUAL ALLEGATIONS AND CLAIM**

**11)** Plaintiff has attempted to access the Facility, but could not do so without severe hardship, because of his disabilities, and the physical barriers to access and ADA violations that exist at the Facility, which restrict and/or limit his access to the goods and services offered at the Facility. The ADA violations are more specifically set forth in this Complaint.

**12)** Plaintiff intends to visit the Facility again in the near future in order to utilize all of the goods and services offered therein but will be unable to do so because of the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility that restrict and/or limit his access to the Facility, including those barriers conditions and ADA violations more specifically set forth in this Complaint.

**13)** Defendants have discriminated against Plaintiff and others with disabilities by denying access to, and full and equal enjoyment of the goods and services of the Facility, as prohibited by 42 U.S.C., § 12182, *et.seq.*, and by failing to remove architectural barriers as required by 42 U.S.C., § 12182(b)(2)(A)(iv), and will continue to discriminate against Plaintiff and others with disabilities unless and until Defendants are compelled to remove all physical

barriers that exist at the Facility, including those specifically set forth herein, and make the Facility accessible to and usable by persons with disabilities, including Plaintiff.

**14)** Defendants have discriminated against Plaintiff by failing to comply with the above requirements. A specific, although not exclusive, list of unlawful physical barriers, dangerous conditions and ADA violations, which preclude and/or limit Plaintiff's ability to access the Facility and full and equal enjoyment of the goods, services offered at the Facility include:
